Pricing notes. All prices are in USD and exclude shipping. Prices exclude shipping. Unit price is per kit, bottle, vial or pen as stated; volume pricing applies from 10 units of the same item. Raw materials are priced by weight tier. Items marked "contact for price" are quoted on request. Prices are current as of August 2026 and supersede all previous lists.

Terms. All products are supplied strictly for laboratory research use and are not for human or veterinary use. Specifications and availability are subject to change.
